

WORKPLACE HEALTH & SAFETY POLICY

PURPOSE:

The aim of this document is to ensure Dizza Group complies with its moral and legal responsibility to provide a safe and healthy work environment for workers, suppliers, clients and visitors to site.

OBJECTIVE:

Dizza Group will:

- Comply with all relevant Workplace Health and Safety Acts and Regulations including Australian Standards and Codes of Practice;
- Develop a Safety Management System compliant with Australian Standards;
- Identify all hazards, assess risk level and implement the required controls;
- Provide sufficient financial and physical resources to ensure the effective implementation of the Health and Safety Management System;
- Ensure hazards, incidents and near misses are promptly reported, investigated where appropriate and implement control measures to eliminate the risk of re-occurrence;
- Monitor the workplace to ensure controls are maintained and transient hazards are identified;
- Consult and communicate with employees and other parties to improve decision-making on WHS and environmental matters;
- Develop, implement and review safe work procedures;
- Distribution and communicate safety information and safe work procedures;
- Inform, instruct, train and supervise employees, clients and visitors to ensure a safe working environment;
- Support and assist employees in effective injury management and rehabilitation.

RESPONSIBILITIES

- The MANAGING DIRECTOR is responsible for overall compliance with this policy and practice due diligence in all WHS matters.
- Managers and Supervisors are responsible for the correct procedures to be followed.
- All workers and suppliers are responsible for following procedures and relevant codes of practice and to report any non-conformances.

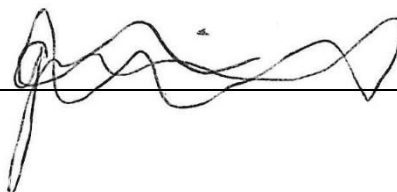

RELATED PROCEDURES
